VOLUME XII

COLUMBIA, ADAIR COUNTY, KENTUCKY, WEDNESDAY OCTOBER 6, 1909.

NUMBER 48

From Rev. A. R. Kasey.

Henderson, Ky., Oct. 1, 1909.
Editor News:—
I am getting homesick, and when a fellow gets homesick I guess he's got a right to write home.

My leaving Columbia was a more trying ordeal than might be supposed. But the pain of separation is the toll of love, and the devotion of my friends made this toll doubly heavy. The thought of how my congregation sacrificed to pay me even more than they promised quickens a gratitude that is increased, I think, the material and fraternal blessings I have received from the members of the other churches, as well as from my Masonic brethren and the community at large. I shall not pray to be sent to a better people, among kinder or more constant friends. I feel that I could not be. Blessings on them all.

Conference is in full swing. Delegates to the General conference will be elected today. I have constant inquiries about Columbia. It is the universal opinion that it is the best inland town in the state—I tell 'em to wait 'till they see Russell's big store and our new walks.

Gov. Hindman is having a good time among the brethren—they all love him very much.

Bishop Hoss is a delightful president. He still shows marks of his long and severe illness.

There is strong opposition to admitting uneducated men into the conference, especially where they are approaching middle age. Peace and harmony prevails.

Nice Work.

Mr. Jo Zinninger, of Louisville, who is employed by Hubbuch Bros. & Wellendorf, dealers in carpets, picture frames, draperies, wall paper, etc., Market street, spent last week in Columbia, papering the residence of Gov. J. R. Hindman. Mrs. Hindman was in Louisville a few weeks ago and purchased the paper from the above named firm, arranging with it to have the paper put on her rooms. Mr. Zinninger thoroughly understands the business, and will complete the job to day which has been handsomely done. Hubbuch Bros. & Wellendorf are very reliable and highly appreciate the trade they receive from this section of the State. The News has been carrying an "ad" for this firm for several years.

Notice.

At the regular election for Adair county, Ky., held on the 2nd day of November, 1909, at the regular polling place, in voting district No. 1, said county, known as the West Columbia voting district, a poll will be opened and an election held, for the purpose of ascertaining the will of the voters of said district upon the question whether or not they wish cattle or any species thereof to run at large in said district. This election will be held and this notice is given by virtue of an order of the Adair county court, made at a term of said court held on the 24th day of August, 1909.

W. B. Patteson,
Sheriff of Adair county, Ky.

Got Seven Years.

The trial of Major Nelson, of color, charged with detaining a woman, came to close last Tuesday afternoon about 6 o'clock. The jury was out only a few minutes after the conclusion of the arguments, bringing in a verdict for confinement in the penitentiary for seven years. Sentence was immediately passed by Judge Baker, and as soon as a team could be hooked to a vehicle Deputy Sheriff Patteson left for Frankfort with the prisoner. The State was represented by County Attorney Smythe, Rollin Hurt and James Garnett. The defendant by Messrs. Robinson and L. C. Winfrey, Mr. Robinson being from Louisville.

Shot in The Face.

Last Saturday week old man Stickly, who lives on Tennessee Ridge, in Casey county, just over the Adair line, was shot in the face by two men named Brown. Some one had set fire to Mr. Stickly's hay and oats. The old man went to Neatsville, in this county, and secured bloodhounds from Mr. J. A. Hard-n and the dogs took the trail and went direct to the Brown boys house, old man Stickly was with the dogs and when he reached the yard he was fired upon, a load of shot striking him in the face. The Brown boys then made their escape and some think they have left the country while others believe they are hiding in Adair county. Mr. Stickly was not seriously hurt, but it will be several weeks before his face gets well.

J. K. P. Conover.

The above picture is a good likeness of Mr. J. K. P. Conover, who is an independent Republican candidate for jailer of Adair county, to be voted for at the November election. Mr. Conover was born and reared within a mile and a quarter of Columbia, and is well-known throughout the county as an honest, courteous gentleman. Some years ago he was elected and served the people of this county as jailer. During the term he was watchful, and when his time expired he had the satisfaction of knowing, by expressions from the people, that he had filled the office to the satisfaction of every voter in the county.

He again asks for the position, promising that if he is elected to make a good, faithful officer. In the next few weeks Mr. Conover hopes to see as many voters as possible in Adair county. He solicits votes and will be thankful for the support he may receive.

Mr. Hugh Noe, of this place, who has been driving a couple of ponies, got into a wreck at Tompkinsville a few days ago. One of the ponies got scared and the team started at a rapid gait. They ran into another team, wrenching one of the wheels from Mr. Noe's buggy, throwing the ponies, hurting them considerably. Mr. Noe sold the pony that started the trouble, bought another horse, and returned home.

Notice.

At the regular election for Adair county, Ky., held on the 2nd day of November, 1909, at the regular polling place, in voting district No. 13, of said county, known as the Cane Valley voting district, a poll will be opened and an election held, for the purpose of ascertaining the will of voters of said district upon the question whether or not they wish cattle or any species thereof to run at large in said district. This election will be held and this notice is given by virtue of an order of the Adair county court, made at a term of said court held on the 24th day of August, 1909.

W. B. Patteson,
Sheriff of Adair county, Ky.

Mr. Luther Witmore has exhibited at this office an old Spanish fifty cents coin dated 1781, making it 128 years old. The coin was found on the old Jonathan Jones farm about three months ago. This is perhaps the oldest piece of money in the county.

Good Shooting.

Mr. Cy Wheat, who lives in the Fairplay country, has had unusual luck in squirrel hunting. In the last two months he has killed over two hundred off eight hickory trees. Mr. Jo A. Turner, who resides in the same neighborhood, has shot one hundred shoots at squirrels, killing ninety-eight. The above record is hard to beat.

On Wednesday, October 20th, I will sell at public auction, at my farm one mile from Lebanon, Ky., 20 head of horses, consisting of brood mares, yearlings, colts and fillies, two or three pair of good work mules, 14 head of yearling sugar mules, several jennies and young jacks, one 6-year old jack, and a good one, cattle, hogs etc. A great offering of extra good stock.

Visit to Greensburg.

Last Saturday a representative of the News desiring to see the game between Louisville and Greensburg, and also to meet friends in the latter named place, started early, in company with Mr. Ernest Flowers, and was on the grounds when the game was called.

Greensburg did not expect to be victorious, going up against a team of the American Association which had just won the pennant, but they wanted the pleasure of meeting the aggregation which had been crowned with such distinguished honor.

Several hundred people witnessed the game, the Greensburg boys doing remarkably well, every thing considered, though they failed to score. The Louisville team played as though it was up against professionals, making eight scores, and when the contest closed the Greensburg boys were highly complimented for their batting, pitching, catching and fielding.

Before and after the game the News representative took a stroll around town, meeting a number of friends that he had not seen for several years, all of whom did every thing in their power to make his stay pleasant. The merchants, bankers and other business men were on the move, indicating that trade was lively. The hotel was also well patronized and every body was in the finest of spirits.

Greensburg has improved considerably in the last ten years. Quite a number of new buildings have been erected and the streets have been greatly improved.

While in Greensburg the News man called and was made acquainted with Mr. Lapsly Wilson, who is an enterprising citizen, now engaged in the drug business. He has a very inviting store and enjoys a lucrative trade.

Mr. Wilson is known to a great many Columbians where he was principally educated and where he was an assistant in the M. and F. College for a term or two. He had a great deal to say of the pleasure he enjoyed while temporarily sojourning here.

The Record office was also visited. Mr. Ward was busy, but he took time to make the News man's visit exceedingly pleasant.

A proposition to establish a graded school has also carried at Greensburg. The school advocates won by a majority of 35 out of 117 votes.

Mr. John A. Hobson, one of the leading merchants, had many nice things to say of the people of Adair county.

More could be written of the people of this historic old town, but it is necessary to close.
